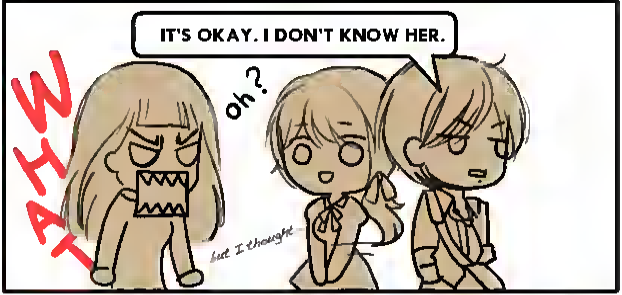
Hey Landan~ Haw abaut skipping class taday ta go an a date with me?
Eh.. I think I'll have to pass on that offer today.
If I skip again, I'll be scrubbing toilets for a week

Now get off. I'm here already.
Oh toss me aside, why doncha?
No, I'm serious. The academy is pretty strict.
and I never asked you to walk me to school
Um--! Excuse me!
And now you just summoned one of the Student Council members.

See? I told you this place was strict.
Ugh
Classes will be starting in just a few minutes!
V-visitors are not allowed at this time!

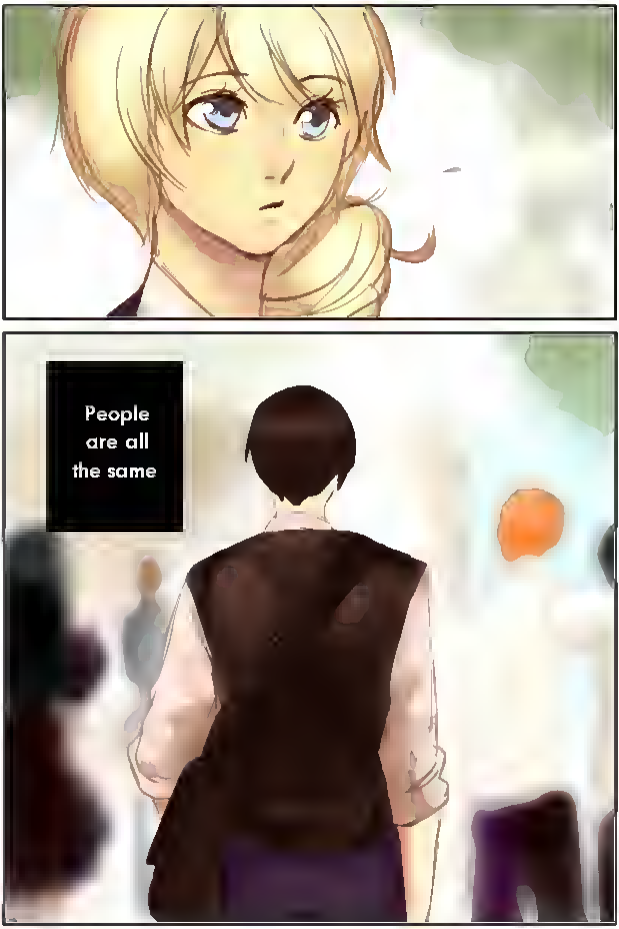


IT'S OKAY. I DON'T KNOW HER.
WHAT
oh?
but I thought
I'm leaving then!
Ah!
Wait--

GRABS
Please wear your uniform properly.
it's school regulations
SLOPPY
That's it?! You stopped me for THAT?!

Annoying
whatever, I'm going now
?

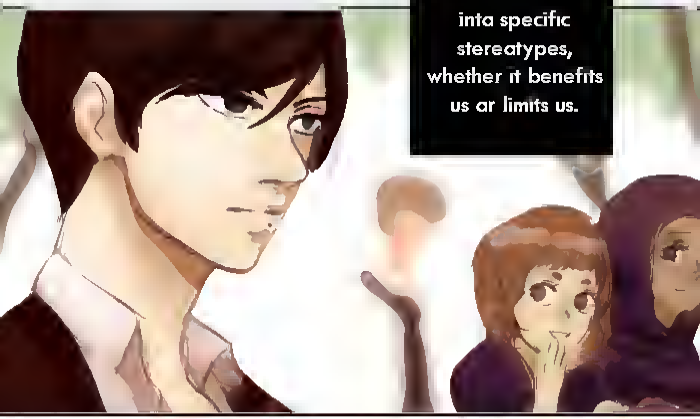
Wearing loose clothing is annoying? ...Then why didn't he fix it?
-dense-
!!
M-maybe he doesn't know how to button his shirt?!
oh no...



People are all the same

We're all put under the impressian we have ta laak and behave in specific ways in arder ta be accepted in society.

In turn, we canfarm aurselves inta specific stereatypes, whether it benefits us ar limits us.



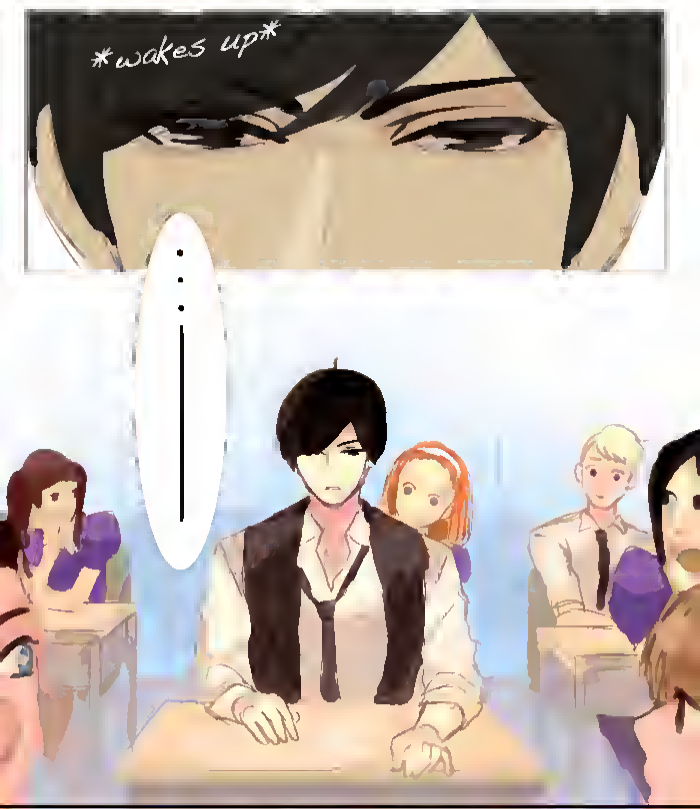
That's the inevitable truth af humanity.

Check out this cool new book I bought yesterday!
ALIENS
"Aliens?"
Yeah! You guys wanna read it together?
ALIENS

What?! Aliens aren't real!
EWW!
HA
HA
HA
HA
NERD ALERT! NERD ALERT!
Y-you can't be so sure!
There are *billions* of goloxies out there! Don't you think there con be o *tiny*

possiblity thot--
Don't get me wrong, London! We just... didn't expect that from you, out of all people!
We think you're a *lot* cooler *without* the nerdy stuff!
Yeah!
Wooay cooler!

Aliens.



wakes up
.....

*his cover up for blurting out "aliens"

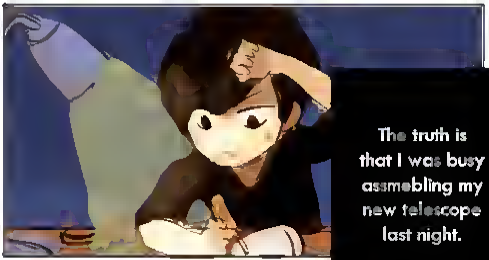
Very well then. But be better rested my next class.
Cover Up: Success.
He didn't get enough sleep last night?
What do you think he was up to, huh?
You know, I heard he fools around with some models at his mom's modeling agency

Makes you kind of want to be a model, huh? hehehe~
Kyaa! You're so bad~!
Hey... I can still hear you.

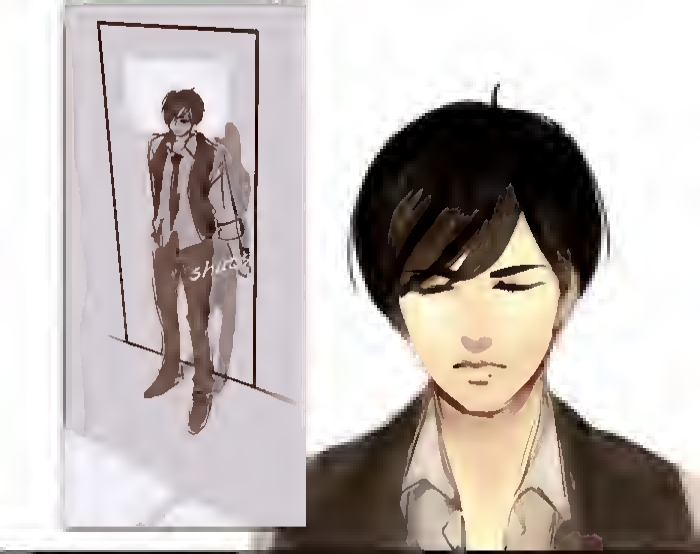
I won't deny that I have fooled around with some girls, but it's not as bad as you think.

Let's break up.

EH?!



The truth is that I was busy assmebling my new telescope last night.



But they can think what they want

TURNS

THE END
